## French Approve Ramadier; Reds Lose Cabinet Posts

PARIS, May 4 (AP)—Premier Paul Ramadier's three-month-old coalition cabinet expelled its five Communist ministers tonight after the French national assembly gave the Socialist premier a two-to-one vote of confidence in which Communist members dissented.

Dropped from the cabinet were Communists Maurice Thorez, vice-premier; Francois Billoux, minister of national defense; Charles Tillon, reconstruction; Ambrose Croizat, Labor; and Georges Marrane, public health.

Four of the posts then were filled temporarily, Pierre Henry Teitgen, a co-vice premier with Thorez, being assigned to take over the Communist leader's governmental functions. Yvon Delbos of the Leftist Rally was named to succeed Billoux; Robert La Coste, popular Republican Movement (MRP), replaced Croizat; and Jules Moch, a Socialist, took Tillon's post.

Marrane did not attend today's session of the assembly which voted confidence in Ramadier, so the dismissal did not affect him immediately. It was expected that he would submit his resignation to the premier within a short time.

Ramadier's revised French cabinet now is made up of Socialists, MRP members, Radical

Socialists and two independents.

A cabinet spokesman said Ramadier would not have to present the revamped government before the national assembly for approval and that, therefore, the assembly would not meet again before its scheduled Tuesday session when it is to debate the recent revolt in colonial Madagascar.

The expression of confidence came when the assembly, post-war counterpart of the old chamber of deputies, voted 360 to 188 in favor of the premier's wage-freezing policies, which are opposed by the Communists. Sixty-three deputies abstained.

After the Communists had cast their ballots against the premier, the Socialist directorate voted 12 to 9 in favor of Ramadier's resigning with all his cabinet.

This decision was quickly reversed, however, by the Socialist party's legislative group which voted 56 to 9 tonight in favor of Ramadier's remaining at the helm, and of the ousting of the Communist ministers.

Leon Blum, long at odds with the Socialist party's left wing, engineered the decision of the party's legislative group. Deputies present at the meeting said the elder statesman made an impassioned plea

## UNDERGROUND USES DYNAMITE TO BLAST WALL

Holy Land Violence  
Brings Death to 20;  
16 Men Recaptured

JERUSALEM, May 4 (AP)—Jewish underground fighters freed 251 Jewish and Arab prisoners of Grim Acre prison today by blasting a hole in one of its centuries-old walls, as 15 persons died in the bloodiest outbreak of violence in the Holy Land in many weeks.

Ten men, including four Jewish prisoners, an Arab prisoner and three Jewish raiders, were killed in the wholesale prison delivery which the underground fighters accomplished by planting four bombs in Turkish baths adjoining the prison wall after screening the attack with gunfire and grenade blasts.

Two other Jews who apparently were wounded fatally in the raid were found dead in a jeep near Acre.

The injured included 11 Jews—two of them members of the attacking band and three who were found in the jeep with the two bodies—and an unspecified number of criminal lunatics who were wounded slightly by a grenade blast which preceded the wall blowing.

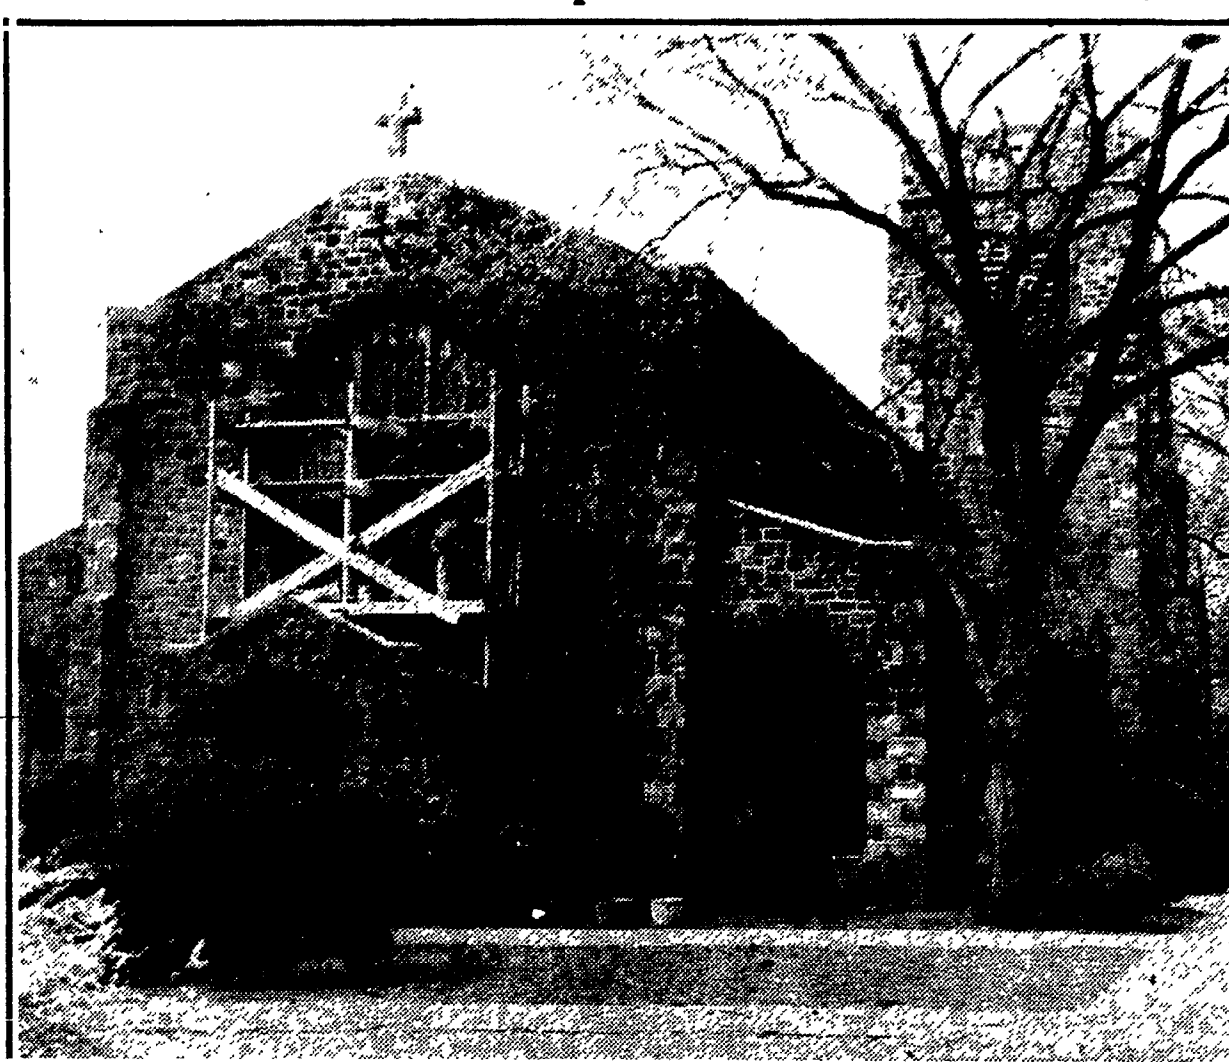

British authorities announced also that five Jews were killed when British troops, returning from a beach party near Haifa, clashed with a group of Jews. Details of the disorder were not disclosed.

The British said that 555 prisoners were interned in the former crusader castle and that 131 Arab prisoners and 120 Jewish prisoners made their escape. Sixteen prisoners were recaptured and seven of the attackers were taken prisoner.

The object of the raid on the gray-walled prison apparently was to free Jewish underground members serving sentences there. The Communists.

## Window in The Hill Chapel Honors Former Master

Workmen are shown completing the installation in The Hill school chapel of a stained glass window honoring the late Alfred G. Rolfe, master at the school from 1890 to 1942. Dedication ceremonies have been set for Alumni Day, which will be observed Saturday.

## Hill Chapel Window Perpetuates Memory of Former School Master

Installation of a stained glass window in honor of Alfred G. Rolfe, a master of The Hill school from 1890 until his death in 1942, in the chapel of the school, has been completed.

A large assemblage of alumni and the entire student body are expected to attend dedication ceremonies at 6:30 p. m. Saturday, the annual Alumni Day.

Two years in the making, the memorial window, ten feet wide and 14 feet high, was designed in 1940 by Charles J. Connick, a Boston artist, with the aid of Mrs. James I. Wendell, wife of the headmaster and the late Mr. Rolfe.

The window, which has a clear glass inscription in the bottom, titled simply, "In memory of Alfred G. Rolfe," was shipped here by rail, dismantled and with each section carefully wrapped.

## 2 PERSONS HURT IN TRAFFIC CRASH

Car Upsets Truck, Hits  
Two Other Vehicles at  
Scene of Earlier Accident

A spectacular traffic crash in which a speeding automobile smashed into two parked trucks and an automobile, causing injury to two men, occurred at 3:45 a. m. Saturday on West High street near Glasgow street, where only two hours earlier a car had leveled an electric power pole, plunging most of the thorough into darkness.

Frank Bearden, 22 of 211 High street, Phoenixville, driver of the car, was taken to Pottstown hospital where he was treated for a deep laceration of the upper lip which required five sutures to dress. He was released Saturday.

A summons will be sent Bearden by Justice of the Peace Richard H. Cadmus, of the Seventh ward, charging him with reckless operation of an automobile. The information filed by Patrolman Stanley Boroway alleges Bearden ignored two officers' signals.

Harvey L. McVey, 55, of 322 King street, who was watching workmen making repairs to the electric line, was pinned under a truck hit by the Bearden car. He suffered a dislocation of the left arm, a fracture of the left pelvis, bone, shock, cuts on the right side of his nose and bruises of the chin and lips. He was admitted to Pottstown hospital.

## Host Lands Stiff Punch On Nose of Party Guest

Blanche Lash, of 418 Highland avenue, was treated at Pottstown hospital last night for a cut under her left eye and a bleeding nose after a companion allegedly punched her in the face when she made a remark to him at a birthday party, police reported.

She was attending a birthday party in the home of Digs Jackson, 418 Hale street, she told police, and said something to Jackson whereupon, she said, he struck her in the face.

She was taken to Pottstown hospital by an unidentified man and admitted at 11 o'clock.

Sgt. Daniel J. Linton and Patrolman Earl J. Rhoads, who investigated, advised her to swear out a warrant against Jackson.

## Epidemic in Allentown Hospital Claims Lives of 2 More Babies

PHILADELPHIA, May 4 (AP)—Two additional deaths of infants—bringing the two-day total to four—were reported today by Temple university hospital which last week admitted 17 babies stricken with gastro-enteritis at an Allentown hospital.

All four deaths of children less than three weeks old, were due to the disease, a form of diarrhea to which children are especially susceptible, the hospital said.

Several of the surviving 14 infants are in critical condition and all are seriously ill, Temple hospital reported.

A plea for rush shipments of streptomycin was dispatched by Temple hospital today to firms manufacturing the recently-discovered drug. Little is known about gastro-enteritis, the hospital spokesman said, but doctors hope it can be curbed with the drug.

All 17 of the infants were brought here, 15 in a single ambulance load Friday evening, after Sacred Heart hospital at Allentown, 60 miles north of Philadelphia, closed its maternity ward because of presence of the disease.

Temple university agreed to accept the dangerously ill infants as a medical gesture, the spokesman said, and placed them in a specially isolated annex. Extraordinary precautions are being taken to prevent spread of the disease here.

At Allentown, Sacred Heart hospital confirmed closure of the maternity section but declined to disclose how many children had been ill since gastro-enteritis was first discovered there.

## HOMES ENTERED BY BOLD THIEF; PURSES TAKEN

Intruder Walks in Doors  
Of Two Residences While  
Occupants Are Upstairs

Two house robberies, committed within six hours of each other on Saturday and in identically the same manner, have started a widespread police search for a thief who authorities believe committed both crimes.

In both cases the thief entered the house while occupants were upstairs and made off with a pocketbook on the first floor.

A girl's pocketbook was stolen Saturday night by a thief who entered the living room of her home, snatched the purse and hastily exited during the brief interval when she was upstairs.

The girl, Theresa Marchione, of 558 King street, told Patrolman Paul Galloway, who investigated, that although the value of the pocketbook's contents is estimated at between \$35 and \$40, her greatest loss was that of a fountain pen given her by her brother, in the Army Air corps, killed four days after the end of the war.

She told Patrolman Galloway that she entered her home at 10:20 o'clock and put the pocketbook on the sofa in the living room. She went upstairs, she related, and was there only a few minutes. When she returned the pocketbook had vanished.

A witness told Galloway he saw a man about five feet nine inches tall enter the house and leave shortly afterwards, but he did not question the intrusion. The man was slightly built, he said.

The pocketbook was made of brown cloth with a gold knob and fastener. It contained, besides the pen, a wallet marked "T. M.," \$3.50 in cash, two keys, a compact and a rosary.

Police believe the same thief entered the home of Mrs. M. M. Maser, 508 North Evans street, in daylight at 5 o'clock and stole a pocketbook off the dining room table.

Her mother, Mrs. Edwin Muser, resting in a bedroom on the second floor, said she heard someone open the front door, enter and leave in a short space of time.

Acting Desk Sgt. William Albright received the report at Pottstown.

## Continued Progress Urged in Sermon at Rededication Rites

Commemorating more than 50 years of activity as an organized congregation and the completion of a \$60,000 renovation program, St. Peter's Evangelical Lutheran church, Stowe, began a week of special services with rededication rites at 10:15 a. m. yesterday.

The Rev. Dr. Roy Lutz Winters, superintendent of the board of home missions of the Lutheran Ministerium of Pennsylvania, preached the sermon which was heard by a large congregation of 205 persons.

However, the number of persons in church was not so large as had been hoped. The Rev. Kenneth R. Anderson, pastor of St. Peter's, attributed this to the morning rain.

Basing his sermon on a text from Isaiah, Dr. Winters challenged the congregation to "continue in the path in which the church has been going for the past 51 years."

"The foundations were well laid," he said. "Ours has been a worthy heritage. God challenged us to do His work. It is the greatest work in the world; it is the

## OIL DEALINGS FACE U. S. PROBE

Justice Department Seen  
Joining Senate Group in  
Check of War Contracts

WASHINGTON, May 4 (AP)—The Justice department today was reported scanning multi-million dollar Arabian oil deals already under inquiry by the Senate war investigating committee.

A senator who declined use of his name said the Justice department's interest came to light when the Senate committee began hunting for Government flights dealing with Arabian oil, including papers of the late President Roosevelt.

Chairman Brewster (R-Me) of the Senate group, told a reporter that "all State department records dealing with the Saudi-Arabian oil transactions are reported turned over to the Justice department."

## N. Y., Chicago 'Phone Agreements Accepted; Reject Long Lines Offer

WASHINGTON, May 4 (AP)—Formal acceptance of wage increases of \$4 a week may put some striking telephone workers back on the job in Illinois and New York tomorrow but Government efforts to settle the crucial long lines phase of the dispute still hung fire here.

The Government suggested a basic \$4.50 increase per week, plus other concessions averaging another 64 cents weekly, for the long lines workers.

Their union accepted the plan but the American Telephone and Telegraph company rejected it, although there were indications the company might make another offer, and Federal conciliators predicted a "speedy settlement."

Mrs. Marion Horn, president of the New York Telephone Employers' association, an independent union of 18,000 operators, said a majority of the members had ratified an agreement with the New York Telephone company, calling for wage boost.

Members of that union, along with workers in three other independent unions, will resume work Monday morning. The other three unions either had chosen, or had been ordered by their leaders, to get back on the job.

The Federation of Telephone Clerks, affiliated with the striking National Federation of Telephone Workers, announced in Chicago that it had accepted the \$4 a week increase offered by the Illinois Telephone company. Approximately 2700 accounting workers in Chicago and Springfield, Ill., are affected.

Two other unions, including Chicago long distance operators and downstate local and long distance operators, and collectors and salesmen, are still on strike.

## 53 Confirmed by Bishop At Episcopal Service

Accompanied by ritual solemnity of the Episcopal church, confirmation ceremonies yesterday admitted 53 persons to membership in Christ church here.

The Rt. Rev. William P. Remington, suffragan bishop of Pennsylvania, performed the rites before a large audience of worshippers at the 11 a. m. service.

It was the second visit to Pottstown for the bishop and his first to Christ Episcopal church. The Rev. George E. Linaker, rector, assisted at the service.

## Friendship Ends; Woman Takes Own Life, Shoots Cornell Student

ITHACA, N. Y., May 4 (AP)—Lorelei H. Hecht, 28, a Cornell university student from Akron, O., was wounded critically today. State police said, by a 45-year-old woman who then set fire to a gasoline station she owned and killed herself with a shot through the head.

The shootings, State Police Corp. J. E. Maloney said, climaxed an argument during which Hecht told Mrs. Beatrice E. Boyce of his intention of breaking off their friendship.

Maloney said the Cornell student, after being wounded in the thigh and kidney by two shots, drove Mrs. Boyce's car to Memorial hospital in Ithaca. His condition was reported "critical."

Maloney said Mrs. Boyce then spread kerosene on the floor of the gasoline station office, locked the office and went to the kitchen where she shot herself with a .32 calibre revolver.

neighbor noticed smoke coming from the gasoline station, broke into the office and put out the fire. He then went to the kitchen where he found Mrs. Boyce, wounded. She died two and a half hours later.

Coroner Ralph J. Low gave a decision of suicide. The State police report listed the shooting of Hecht, a war veteran, as attempted murder.

The shootings occurred at Varna, four miles east of Ithaca. State police said notes found in the gasoline station told her disagreement between Hecht and her husband, Harold H. Boyce, had been separated since 1942. Her husband's address was listed as Biloxi, Miss. They had no children.

# U. S. Favors Small Neutrals to Probe Palestine Problem; Red Rebuttal Seen

NEW YORK, May 4 (AP)—American sources said today that the United States would plump for a Palestine inquiry commission composed of small neutral states without the five great powers or the Arabs.

Disclosure of the unofficial American position came as the United Nations assembly neared a final decision on Jewish representation in the current debate and prepared to tackle the basic task of setting up and instructing a commission to examine the Holy Land problem and report back in September with recommendations. The Jewish issue comes up for vote tomorrow with a compromise in the offing, as the assembly's extra session goes into its second week.

Under the United States plan for a small-sized and small-state commission, the nations chosen would be as far as possible from Palestine geographically and probably would include Scandinavian, Western European, Latin American and Pacific countries with Canada also a possibility.

The American proposal was considered certain to draw immediate fire from Andrei A. Gromyko, his Soviet partner, and the Arabs. A Polish spokesman said it would be "sheer mockery" to name a group without the big five. He advocated a commission of Russia, United States, Britain, China, France, an Arab state or Iran, and a few others picked geographically.

Faris El Khoury, Syrian delegate, said that the "concerned people," including the big five and the Arabs, must serve on the commission. He favored about 15 members with perhaps two or three Arab states.

El Khoury added that it would be better to have the big five on the commission than to allow small nations without direct interest in the problem to sit there and "be influenced" by the major powers.

The compromise plan on the Jewish issue, expected to be introduced at tomorrow's plenary meeting, would provide that the assembly instruct the 55-nation political committee to hear the Jewish agency and others asking.

This move was regarded as a second choice for the Soviet bloc, which has been seeking without success to bring the Jewish group to the floor of the assembly for participation.

The steering committee recommendation to the assembly on the point, strongly supported by the United States and Britain, leaves a decision on hearing the Jews up to the political committee itself and thus bars the agency and other like applicants from appearing before full plenary sessions.

Building its arguments around the charter, which makes no provision for hearing anyone but governments, the United States was not expected to deviate from that position.

## Veto of Labor Bill Would Help GOP; Senator Byrd Says

WASHINGTON, May 4 (AP)—Senator Byrd (D-Va.) declared today that if President Truman vetoes union-curbing proposals now before Congress "the people will think—and properly so—that the only way they can get labor legislation is to elect a Republican President."

Byrd, one of the authors of pending amendments to tighten restrictions on unions, told a reporter he believes it would be a "political catastrophe" for Mr. Truman to reject regulatory legislation even if he does not approve fully of all its provisions.

"The Democratic party will become known as the labor party if he vetoes the bill that finally is passed and makes it impossible to enact any legislation at this session of Congress," he declared.

Byrd predicted that any such "abortive" action would be "tremendously resented" by the public. The reaction, he argued, would be to support the Republican presidential candidate in 1948 in the hope of obtaining enactment of labor legislation.

But Senator Hatch (D-NM), who is fighting for acceptance of the labor bill as it now stands before the Senate, disagreed.

"I think a veto would cut both ways politically," he told a newsman. "The resentment of those who want punitive legislation would be matched by the approval of those who believe the Republicans have been trying to go too far in enacting labor curbs."

## Housing Official Asks Producers To Join in Fight on Building Costs

WASHINGTON, May 4 (AP)—Raymond M. Foley, National Housing administrator, asserted today that housing costs "can be reduced" and urged "material producers and fabricators, brokers, real estate developers, merchandisers, contractors and labor" to do it.

His call for "immediate action in these fields" appeared to be a new step in the Administration's "moral suasion" campaign to bring prices down, particularly in the building field. Housing Expediter Frank Creedon already has issued a similar appeal.

Foley's statement shared attention with a report by the national planning association that "if orderly price reductions do not become more general, business must share the blame for the slump that is then sure to come."

"Many prices today are badly out of line," said a report from the association's business committee on national policy, and "business as a whole looks with disfavor on those business elements that are out of step."

## CONGRESS NEAR FINAL ACTION IN TAX, UNION CURB

Seven-Hour Sessions Arranged for Senate; Truman Veto Likely

WASHINGTON, May 4 (AP)—President Truman this week may learn the shape of two of the biggest things to come to him from Congress this session for his approval or veto—tax reduction and labor legislation.

The House already has had its say on both and has passed them in forms which the Capital generally expects would be vetoed by the President. Thus, the prospective Senate action may largely determine the final outcome.

The Senate finance committee, whose recommendations will weigh heavily on the floor, starts sessions behind closed doors tomorrow to whip a tax bill into shape. The chief question before it is whether to make the reductions retroactive to the past Jan. 1, as the House bill provides, or to start them July 1 or next Jan. 1, as some senators propose.

The Senate itself will hold seven-hour sessions, two hours longer than usual each day, starting Tuesday in an effort to get through with the labor bill this week. The big fights will come over amendments to provide stricter controls over union activities than the labor committee would sanction—specifically, to curb industry-wide bargaining, outlaw union-controlled welfare funds financed by employers, and authorize injunctions and damage suits in secondary boycotts and jurisdictional strikes.

Both the labor and tax bills will go to conference committees for the adjustment of the differences between the Senate and House versions after the Senate vote. The form in which the measures finally will go to the President will not be established until then. But what the Senate does will establish the range in which the conferees can act.

The House opens debate tomorrow on the \$400,000,000 program for aid to Greece and Turkey to combat Communism, which the Senate already has passed. A group of Republicans has organized to fight the measure but leaders expect passage by midweek and Speaker Martin (R-Mass.) predicts it will come by a "substantial majority."

## ALLIES APART ON ECONOMICS FOR GERMANS

General Clay Urges Free Competition Basis; British Favor Planning

BERLIN, May 4 (AP)—The United States and Britain are badly split on how to operate their economies in the merged zones in Germany, authoritative sources said today, even though they stood side by side in defending the merger against Russian attacks at the Moscow conference.

Some progress has been made in the past few days on negotiations between General Lucius D. Clay, United States Zone commander, and General Sir Brian Robertson, British zone commander, but the fundamental issues have not been resolved, these sources said.

The British attitude, it is understood, has been a bit more conciliatory since Foreign Secretary Ernest Bevin stopped here on his way home from Moscow.

The issue, as pictured, is whether the British-United States zone shall have an overall planned economy, with strong central agencies controlling the economy, or a system of free enterprise with only local controls.

Clay has argued that the economy of Germany should be encouraged to develop on a free, competitive basis. He holds that any socialization must come from the German people's desires and not by occupation forces' mandate. The American commander expects the Germans will desire to socialize key industries, such as steel and coal, but keep smaller assembly industries on a capitalistic and competitive basis, making the eventual Germanization a combination of capitalism and socialism.

Clay has opposed creation of strong central agencies with an overall grip on German economy through strong planning, informants said. Robertson, on the other hand, has been bound by Britain's policy of planned economy and socialization and favored creation of strong central agencies as the first step in this direction.

Clay and Robertson, who are personal friends and try to reach agreements quickly, have indicated they may have to ask for new instructions or settlements by Washington and London.

## General Clark Heads For California Post

VIENNA, May 4 (AP)—Gen. Mark W. Clark, leaving his post as commanding general of United States forces in Austria, departed from Vienna for Salzburg, Germany, aboard a special train today in a flurry of flowers, handshakes and salutes.

A military band struck up "California, Here I Come," when Clark and his wife arrived at the station with his successor, Lt. Gen. Geoffrey N. Keyes. Clark is bound for San Francisco to head the Sixth Army.

In a farewell message to the Austrian people, Clark said he had hoped when the occupation began that "the re-establishment of a free, independent and happy Austria would have been completed long before this." He said such was the aim of U. S. policy and Keyes would work for it "ably and vigorously."

## Attlee Says Patience, Hard Work Needed to Build British Economy

Clement Attlee

LONDON, May 4 (AP)—Prime Minister Attlee counseled patience and hard work for his labor followers today as British workers celebrated their "May day" with rallies throughout England.

Another member of Attlee's government, Attorney General Sir Hartley Shawcross, declared that if the labor government should be succeeded eventually by either Communism or Fascism, the British workers celebrate their labor holiday on the Sunday following May 4.

Attlee in a speech, delivered at the London school of industrial management, said that the "war of attrition" and the "war of content" are not the same thing.

"We have the promise of a better life for all of us, but we must be patient and hard working before we are there. Like all Englishmen, I am a socialist, and I am a socialist and a socialist."

He said labor government was "making great changes in the social and economic structure of this country without disturbance and with due regard to the rights of the individual and the community."

Shawcross, at Eland, Yorkshire, asserted that although the fall of the labor government might be followed immediately by a return to power of the conservatives, it would lead to "a period of unprecedented travail and distress. A totalitarian system, Communist or Fascist, would be forced upon this country."

The attorney general said that "social democracy in Britain and in Europe provides the only bulwark against Communism, or, far worse, Fascism."

## Plans Are Advanced For Memorial Day Observance Here

Plans for the community observance of Memorial Day were discussed yesterday morning when a meeting of the general committee was held at the American Legion home with Chairman Harry J. Glinther presiding.

Glinther who is the new head of the committee said:

"Let us remember that our committee will only be as strong as the members make it. Regardless of who the chairman or members might be, we have a solemn obligation to our war dead. Let us see that they are remembered in a fitting manner."

"To the general public — you too have an obligation to participate and to show our community that you have not forgotten. Let us make this the largest and most solemn exercises that Pottstown has ever seen."

Final plans will be completed at the next committee meeting scheduled for May 18.

The program for the annual services at Ellis Woods Memorial park in East Coventry township, was discussed by Melvin B. Krause and William R. Wolfendale, of Camp Funston, United Spanish War Veterans. The speaker will be Fred H. Kelley, a veteran of two world wars. On Memorial Day morning a street parade will leave the Legion home, King and Franklin streets, preliminary to the holding of appropriate services at the Soldiers' plot in Pottstown cemetery. A feature will be the delivery of Abraham Lincoln's Gettysburg address by Alvin Weiss, a student at Ursinus college.

## Japanese Cabinet Expected to Resign

TOKYO, May 4 (P) — Finance Minister Tanzan Ishibashi said today that the Japanese cabinet might resign Tuesday or Wednesday.

The present cabinet, headed by Premier Shigeru Yoshida, is required to resign not later than the meeting of the new Diet, which is scheduled some time before May 25.

**MRS. EFFIE S. (SHANK) CROWLEY**, 73, of 1082 SOUTH STREET, widow of Daniel Crowley, died in Memorial hospital at 12:28 p. m. Saturday. She had been admitted only the morning before, suffering with a heart ailment.

Mrs. Crowley had been the housekeeper for Howard C. Seasholtz at the South street address since her husband's death in 1919.

She was a member of St. Paul's Reformed church.

Mrs. Crowley is survived by three sisters, Mrs. Elsie Yohe, Mrs. Ishler and Mrs. Fred Nicholas, all of Columbia, and one brother, Clement Shank, of Harrisburg.

Services will be held from a funeral home at 404 High street at 2 p. m. on Wednesday, with interment following in Edgewood cemetery.

**MRS. NORA (BUCKWALTER) HAYS**, 60, wife of James B. Hays, died in Brooklyn at 2:30 a. m. Friday following a sudden heart attack.

Born in Pottstown, she lived here for 30 years before moving to Philadelphia after her marriage. After living there for ten years, Mrs. Hays made her home in Brooklyn.

She was a member of Transfiguration Lutheran church.

In addition to her husband, Mrs. Hays is survived by a son, Stanley, of Philadelphia; two daughters, Mrs. Lorraine Petro and Mrs. Gloria Boezio, both of Brooklyn; two brothers, Maurice Buckwalter, New York, and Edwin Buckwalter, of Detroit; five sisters, Mrs. Elsie Feather, 230 North Charlotte street, and Gertrude B. Buckwalter, Pottstown RD 1, and Mrs. Flora Rex, Mrs. Lulu Brooks, and Mildred Buckwalter, all of Philadelphia; and three grandchildren.

Funeral services will be held in Brooklyn this evening, with further services in West End cemetery at 3 p. m. tomorrow, the Rev. Theodore L. Fischer officiating, followed by burial there.

**BENJAMIN F. MILLER**, 63, of PERKIOMENVILLE RD., husband of the late Ella C. (Sell) Miller, died Friday at Pottstown hospital. He was born in Montgomery county, a son of the late Reuben and Hannah (Smith) Miller. He was a member of the Sassamansville Reformed church.

Surviving are five sons, Walter, Raymond and Edward, at home; Russell, of Philadelphia, and Alfred, of Boyertown; six daughters, Katie, wife of Oliver Dotterer, of Boyertown RD 1; Elsie, wife of Raymond Schwenk, Perkiomenville; Mary, wife of Lloyd Kline, Pennsylvania; and Anna, Frances and Shirley, at home; six grandchildren; two brothers, Samuel Miller, of Red Hill, and Joseph Badman, of Zionsville RD.

Funeral services will be held at an East Greenville funeral home tomorrow at 1 p. m., the Rev. W. C. Mantz officiating. Burial will be in the Sassamansville Reformed church cemetery.

## Derailment of Boxcars Delays Rail Traffic

COATESVILLE, May 4 (P) — A passenger train from Harrisburg to Philadelphia was delayed more than an hour yesterday by derailment of two boxcars in a Pennsylvania railroad freight train near here. Damage was slight and normal operations resumed quickly, the railroad said.

PITTSBURGH, May 4 (P) — Cheerful and courteous bus drivers employed by the Oriole Motor Coach company, in nearby Scott township today received a bouquet of Spring flowers from appreciative daily commuters.

HARRISBURG, May 4 (P) — Pennsylvania's General assembly goes into the fifth month of the 1947 session this week with a decision near on taxes but with two other top issues—higher teachers' salaries and control of labor unions—still in the argument stage.

The Senate, after weeks of committee discussion, placed in position for a vote Tuesday or Wednesday Governor James H. Duff's House-passed \$133,000,000 tax program but revised it to increase the yield two or three million dollars.

The principal changes made in the program, with approval of the House Republican leadership, eliminated a levy on cigars and chewing tobacco, increased to four cents the tax on a pack of 20 cigarettes and cut in half to 64 cents a gallon the govern-

## Work of Stock Exchange Explained to Hill Group

"Money At Work" was the theme of Walter W. Stokes Jr., of New York City, who addressed the student body and faculty of The Hill school last night in Memorial Hall.

Stokes, who is an alumnus of The Hill, Class of 1921, has been connected with the New York Stock exchange since 1929. He discussed the workings of the exchange and an open forum then was conducted. A motion picture also was shown.

Headmaster James I. Wendell introduced the speaker.

or's proposed levy on soft drink syrups. Duff originally proposed a one-cent boost to three cents in the present two-cent cigarette tax.

The GOP agreement, however, left intact a levy of one cent on each 12-ounce bottle of soft drinks which the Democratic minority promised to fight vigorously when the tax bills come up for a vote. The State Bottlers' organization also continued their opposition to that levy.

The AFL-Pennsylvania Federation of Labor, at its annual convention Saturday, also opposed the soft drink levy as "a luxury tax on the poor man's pleasure."

Other provisions of the tax program include a boost of one-half cent to one cent the levy on a pint of beer, renewal of the capitol stock tax on manufacturers which expired this year under a wartime law and a new method of computing the corporate income tax law to increase the yield.

The House education committee may confer again with Governor Duff to seek agreement on the amount of salary increase to be allowed the Commonwealth's 60,000 school teachers.

The committee has before it

a bill backed by the Pennsylvania State Education association to boost minimum salaries \$1000 annually from \$1400 to \$2400 at an estimated increased cost to the Commonwealth of \$115,000,000.

The executive, however, in his budget for the 1947-48 biennium made provisions for \$27,000,000 for higher teachers' salaries and said anything additional above that figure would have to be provided by local school districts.

## Congregation Elects Trustees, Auditors At East Nantmeal

Congregation officers for East Nantmeal Baptist church were named Saturday as the congregation held its annual meeting.

Two trustees and two auditors were elected for terms of three years. Trustees are Elwood Potts and Joseph Pierce; auditors are Miriam Filman and Anna Swartzentruber.

Ushers, who hold office a year, are Frank Syphard, Lesley Phillips, John McCord, Walter Naomi, Hazel and Ruth Ayres and Jenny F. Knauer.

In addition, delegates for the annual convention of the Central Union Baptist association were picked. They are Esther Kline, Mrs. Nona Feather, Mrs. Elwood Potts, Mrs. D. C. Knauer, Mr. and Mrs. H. L. Phillips, Mrs. Miriam Filman, Mrs. Evan Kyrich, Mrs. Elroy Wynn and Frank Syphard. The meeting will be held June 10 and 11 in Norristown.

The Rev. Clayton J. Bates, pastor, announced that the annual outdoor memorial service will be held on the church lawn at 10:45 a. m. May 25. The speaker will be Dr. Lyn Bowman, of Graterford State Penitentiary, and music will be furnished by a brass quartet from Downingtown High school.

Officers for the church's Sunday school were chosen the past Sunday. Frank Syphard began his tenth year as superintendent and Esther

Kline was renamed secretary for the 25th year.

Assisting Syphard are Joseph Pierce, Rob Roy Griffith and Russell P. James. James was also elected Home department superintendent and Elwood Potts was elected Cradle Roll superintendent.

Miss Kline's assistant is Anna Swartzentruber and Mrs. Elwood Potts was elected treasurer. She is also assistant to Miriam Filman, pianist.

The pastor was picked as one of the choristers. The other is D. C. Knauer.

## Miss Florence Rice, Mr. Charles Himes Married in Royersford Methodist Church

### Circle Members Plan to Attend State Convention

Plans to attend a State Convention of King's Daughters were made by the members of the local organization at a meeting in the home of Miss M. Irene Boyer, 227 Beech street.

Mrs. Lewis V. Lengley, Westfield Center, N. B. Canada, will be guest speaker at the conference to be held Thursday, Friday and Saturday of this week.

Four members of the Watchful Circle who will give reports at the meeting include Mrs. William A. Shaner, corresponding secretary and custodian of chains and badges; Mrs. Fred Schlegel, chairman of the house; Mrs. George Russell, Holiday House, and Miss Boyer, editor of Pennsylvania Caller.

Those planning to attend in addition to the above mentioned are Mrs. Charles Crosby, Mrs. William Bertolotto, Mrs. Warren Bealer, and Mrs. Charles Erb.

At the meeting it was announced Holiday House would open June 30. Mrs. Russell reported a new well was being dug and minor improvements were being made to put the house in good shape for the Summer months.

A report of the benefit concert by the Bell Chorus and Symphony orchestra in the Academy of Music, Philadelphia, April 25 was given by Mrs. Joseph Conway and Miss Mary Eschbach. Proceeds of the affair will be divided between Holiday House and Home for the Aged in Norberth.

Miss Annie Roshon, needlework chairman, reported five lap robes have been sent out this year.

Communication was received from the Red Cross asking for volunteers to join the canteen and nutrition classes at Red Cross headquarters.

After a report on the recent visit of Julia Lake Kellersberger was given, it was announced a sum sufficient to maintain two lepers a year was contributed by members of the Rotary club and the evening service at Seale's Memorial Methodist church.

Mrs. Shaner and Miss Polly Sherman gave an interesting report on 19th annual Junior King's Daughters Convention held recently in Lancaster.

At the conclusion of the business meeting a social hour followed. A group of songs, appropriate to Mother's Day, were presented by Miss Minnie McAfee after which Mrs. Russell gave a talk on her recent Western trip.

Refreshments were served by Mrs. Daniel Drumheller, Mrs. Joseph Wisegarver and Mrs. Conway.

Miss Florence Josephine Rice daughter of Mr. and Mrs. Charles P. Rice, Hanover Heights, became the bride of Mr. Charles Douglas Himes, son of Mr. and Mrs. W. Luther Himes, 118 North York street, Saturday afternoon at 2 o'clock in Royersford Methodist church.

The double ring ceremony was solemnized by the Rev. Samuel Doud.

For the ceremony the church was decorated beautifully with apple blossoms and mixed Spring flowers.

Preceding the ceremony a recital of bridal music was presented by Miss Florence Bernhart, organist, and Mr. C. Merrill C. Wagner and Mrs. C. Norman Rice, soloists.

The bride, who was given in marriage by her brother, C. Norman Rice, wore a gown of white imitated Swiss eyelid sleeves and a four-yard square train. She wore matching mitts. Her mid-Victorian veil was attached to clusters of gardenias and she carried a semi-colonial bouquet of white geraniums, satin lover's knots and clusters of white tulle with satin showers.

Mrs. R. Stanley Hale, sister of the bride, in the role of matron of honor, wore a gown of bluish pink nylon sheer with short puffed sleeves. The bridesmaids, Miss Catherine Abel and Miss Loretta Ann Wagner, wore mint green gowns of nylon sheer styled like the matron of honor's. The flower girl, Florence E. Wagner, wore bluish pink nylon sheer, styled like the matron of honor's. All the attendants wore bandeaux of apple blossoms in their hair and carried bouquets of apple blossoms. They all wore ceramic apple blossom necklaces, gift of the bride.

Mr. Leslie Rhoads served as best man. Ushers were Mr. R. Stanley Hale and Mr. Larry E. Swenson.

Mrs. Rice, mother of the bride, wore a gray dress while Mrs. Himes, mother of the bridegroom, chose a gray gabardine suit. Both wore corsages of lily petals and violets.

Following the ceremony a reception was held in the home of Mr. and Mrs. R. Stanley Hale, Hanover Heights, after which the newlyweds left on a honeymoon trip to Washington, D. C. Upon their return the couple will reside in the home of the bride's parents.

For traveling the bride chose a brown gabardine suit with beige accessories.

### Pageant to Feature May Meeting of Pottstown WCTU

A pageant, "Let People Know," composed of Aurelia Burge, author and lecturer in the drama field, will highlight the May meeting of Pottstown WCTU to be held Thursday afternoon at 2 o'clock in the adult department of First Methodist church school.

The pageant is a visual demonstration of some of the world's expenditures in this modern age. The topic, "My Community and the Child," will be discussed by Mrs. Edgar Ebert, leader.

Mrs. Willard F. Maloney will read excerpts from the minutes of 61 years ago when the local union was organized. Mrs. Polly John, past president, will favor with a reading.

Miss Minnie McAfee, LTL leader, will present her members in a program. An exhibition of homemade articles constructed by the children will be on display. Homemade posters also will add interest to the display.

Miss Laura R. Ecker, president, who will preside at the business meeting, requested that additional articles of Shank buttons, pencils and tablets be donated for Mother Moore's work at Coatesville Veterans hospital. She also announced additional squares for the Valley Forge hospital afghan will be collected.

**TO HOLD RECEPTION**  
The Auxiliary of Pottstown chapter of the Jewish War Veterans will hold a reception at 8 o'clock this evening at the Mercy and Truth synagog in honor of Miss Tina Brill, of Chicago, Ill. who is national president of the JWV auxiliary.

### E. Arlene Wanner Becomes Bride of A. Richard Gumpert

Wedding of A. Richard Gumpert, son of Mr. and Mrs. Clyde Gumpert, 515 Heckel avenue, Spring City, and Miss E. Arlene Wanner, daughter of Mr. and Mrs. Russell Wanner, 309 Washington street, Royersford, took place in Twin-Borough Church of the Nazarene, Washington street, Royersford, at 2:30 o'clock Saturday afternoon. The Rev. George W. Andrews, pastor, officiated.

A 15-minute organ recital was played by Mrs. Howard Yost preceding the ceremony.

The bride was dressed in a gown of white faille with long sleeves and a full veil trimmed with lace, which fell from a wreath of apple blossoms. She carried a bouquet of Easter lilies.

Her sister, Mrs. Edwin F. Snell, Royersford, matron-of-honor, wore a blue faille gown with a sweetheart neckline and short sleeves. She carried a bouquet of yellow carnations.

Andrew Gumpert, Phoenixville, was best man for his brother.

A reception followed at the home of the bride's parents, after which the couple left for Seven Mountains, to be gone a week. They will live in a newly furnished apartment on Walnut street, Royersford.

The bride, who attended Royersford High school, is employed at Valley Forge Flag company, Spring City.

The bridegroom, a graduate of Spring City High school with the class of 1934, served 25 months in the U. S. Army, including 19 months overseas in the European Theater of Operations. He earned the purple heart and combat infantryman's badge. He is employed at Royersford Spring company.

First Methodist church formed the setting for a pretty Spring wedding Saturday afternoon at 4 o'clock when Miss Catherine Marie Pike, daughter of Mrs. Elsie M. Pike, 418 North York street, became the bride of Mr. Norman F. Smith, son of Mr. and Mrs. Norman E. Smith, 831 South street.

The ceremony was performed before an altar banked with palms and mixed Spring flowers by the Rev. Horace N. Oewiler, pastor.

Prior to the ceremony a half hour recital of bridal music was presented by Mrs. Norman Lepper, organist, and Miss Muriel Prutzman, soloist.

Given in marriage by her brother, Mr. Robert C. Pike, the bride wore a gown of white brocade silk featuring an illusion neckline, fitted bodice with a full skirt terminating in a long train. The neckline and train were finished in a scalloped pattern. Her finger tip veil fell from a ruffled crown of tulle, scalloped at the edge and she carried a shower bouquet of Easter lilies and blue lace flowers.

Mrs. Helen Myers, sister of the bride, as matron of honor, wore a pale blue marquisette gown styled with a low-cut neckline, long full sleeves, and a bustle back. She carried a bouquet of pink carnations and white daisies with white satin streamers. Misses Elsie and Sylvia Pike, twin sisters of the bride, attended as Junior bridesmaids, were gowned in pale pink marquisette, made with low-cut gathered necklines, puffed sleeves and full skirts. They carried bouquets of shattered blue carnations with yellow daisies and pink streamers.

Mr. John E. Smith, performed the duties of best man for his brother while Messrs. Gene Shellenberger and Robert Wolcott served as ushers.

Mrs. Pike, mother of the bride, wore two-piece powder blue dress with black accessories. Mrs. Smith, mother of the bridegroom, was attired in an aqua dress with navy accessories. Each wore a corsage of gardenias.

Following a reception in the home of the bride's mother, the couple left on a wedding trip to Ocean City, N. J., the bride wearing a beige-gray suit with luggage accessories and a corsage of white lily petals and blue lace flowers. Upon their return they will reside in the home of the bride's mother.

The bride, a graduate of Pottstown High school, class of '41, is employed in a local beauty shop.

Mrs. Smith, who was graduated from Pottstown High school, class of '44, is employed as a carpenter.

## PALESTINE PRISON — (Continued From Page One)

Palestine government said 80 of the escapees were members of the Jewish underground and were serving sentences as terrorists.

The raid, believed to have been one of the world's great mass escapes of modern times, opened when two jeep loads of Jewish underground fighters in military uniforms entered Acre, which lies across a bay from Haifa. The city had been out of bounds to British troops because its water supply was suspected of contamination.

Arab sources said the Jews warned the Arab population not to interfere and then began a diversionary attack at the prison walls by engaging police in gunfire and hurling hand grenades. Under the screening attack, raiders carried four bombs into the baths and placed them against a section of the prison wall weakened by Turkish soldiers during the Napoleonic wars.

The uncaptured prisoners were reported to have escaped towards the hills of Galilee, 30 miles to the east, some of them fleeing in Army trucks.

Palestine's North Mediterranean coast was placed immediately under a rigid security grip as the British began a search throughout the Acre area.

Irgun Zvai Leumi, one of Palestine's three Jewish underground resistance organizations, promptly issued a communique to Hebrew newspapers claiming responsibility for the attack on the prison where Dov Bela Gruner and three other Irgun members were executed two weeks ago for terrorist activities.

"Today at 4 p. m. (9 a. m. Pottstown time) our soldiers attacked a fortress at Acre in order to liberate our brethren who are languishing in prison," the Irgun announcement said. Further details will be announced as soon as possible.

Despite the fact that the prison attack of the government attaches there escaped virtually unscathed. The only casualty reported was a British prison officer who suffered a minor wound.

Another clash between the British and the Jewish underground occurred at Nahariya, north of Haifa, where terrorists in an army truck threw six bombs into an encampment of the Second Parachute battalion of the Sixth British airborne division. The government did not disclose whether there were any casualties.

The prison break might have resulted in even greater casualties but for quick action by British troops rushed into the area from Mount Carmel who rendered harmless a number of mines planted under bridge and culverts near the prison by the terrorists.

## FOREIGN POLICY — (Continued From Page One)

from being shelved indefinitely in the House rules committee. It took the vote of Chairman Leo Allen (R-Ill.), an acknowledged opponent of the measure, to send it to the floor for nine hours of general debate beginning tomorrow.

Despite Speaker Martin's prediction that the bill will pass by a "substantial margin," a substantial group of Republicans—most of them from the Far West and Midwest—has organized for a determined fight.

Their strategy, as privately outlined by one member of the group, will be to concentrate upon an attempt to substitute a resolution to "send the Greek-Turkish problem to the U. N. for action. They believe that such a move will attract some Democratic support.

Anticipating approval of the bill, the State department was reported to be forming an advance guard of Government economists and administrators to speed to Greece.

Marshall and the Administration appear to have at least a 50-50 chance of getting Senate approval of the \$350,000,000 foreign relief bill in nearly its original form.

The measure is ready for Senate consideration just as soon as debate ends on the labor bill. It has the unanimous backing of the Senate foreign relations committee headed by Senator Vandenberg (R-Mich.).

Should the Senate approve the full \$350,000,000, the bill will go to a joint congressional committee in an effort to reach a compromise between the Senate and House.

In the 11th century, William the Conqueror took steps to protect the fair name of British beer and ale, by appointing a royal taster or "conner" of the brew.

## Two Youths Arrested Following Street Fight

Two youths were arrested and charged with being drunk and disorderly shortly before 2 o'clock this morning when police found them fighting in the street in front of the Goodwill Fire company.

The two Paul Landey, 22, of Green Gables, and Alfred Welsh, 18, of 316 King street, will receive a hearing sometime this morning before Justice of the Peace Richard H. Cadmus.

Welsh's shirt and coat were splattered with blood from a superficial cut on his face.

Patrolmen Stanley Borowy and George Waycock investigated.

more than \$30,000,000 in "excessive prices" for Arabian oil during the war. The Navy denied that the prices it paid were excessive.

A hunt for public papers dealing with the Arabian oil transactions led the Senate committee to the Hyde Park, N. Y., estate and files of the late President.

President Truman refused Brewster's request that a committee investigator be allowed to search the Roosevelt papers for any documents pertinent to the oil inquiry. Instead, Mr. Truman said he would have the Roosevelt executors deliver any documents they could find bearing on the matter.

Since then Earl R. Koons, attorney for Basil O'Connor, executor of the estate and intimate of the late President, announced that all Roosevelt papers dealing with Arabian oil will be given to the committee.

## RAMADIER — (Continued From Page One)

that the Communists be excluded. The Socialists summoned a meeting of their national council for Tuesday, presumably to overhaul party strategy. The last council instructed party leaders not to enter any coalition from which the Com-

munists were excluded. The crisis developed in such confusion that many ministers—including the Communists—arrived at the premier's office tonight for a scheduled cabinet session, only to find it had been postponed.

Although Communists voted against Ramadier, they refused to resign from the cabinet.

As though anticipating the Socialist decision, Communist Leader Jacques Duclos had told the legislature that "whether the Communist party is in the government or not, it will consider itself as a party of the government. . . ."

This implied offer of support from outside the cabinet apparently decided the Socialist to take the gamble of trying to govern without the Communists, who—in opposition to the rest of the cabinet—

men, have not yet made known their position on the wage offer.

In addition to the New York operators, some 12,000 maintenance men, members of the United Telephone organizations, independent, have been ordered to report back to their jobs.

Another 6800 commercial and accounting employees also will resume work in New York having voted the past week to do so.

Although the New York independent unions are not members of the NFTW, they made their walk-out coincide with that of the national group.

Developments here led a company spokesman to say "We are making some progress."

The Government suggested a basic wage increase varying in different localities and averaging \$4.50 a week, plus other concessions adding up to a total money increase averaging \$5.14 a week.

John J. Moran, president of the American Union of Telephone Workers, although "far from satisfied," agreed to take it and end the walk-out, and indicated that the union would expect to press additional demands later.

George S. Dring, assistant vice president of the American Telephone & Telegraph company long lines department, turned it down but told newsmen that it constitutes the union's "first real counter-proposal to our offer of last Friday" for \$2 to \$4 increases. He said the company is reviewing the situation "to see whether we can make another offer."

Duclos told the assembly the Communists would not sabotage the government from the opposition but "will always place the national interest before everything else."

Duclos referred to the Communists' continual campaign for "more coal from the Ruhr," the lack of which they blame on the Americans and British.

"How about the Saar?" asked deputies from the right and center, referring to Russia's continued delay in approving that coal-rich area's economic attachment to France.

"Well, yes," Duclos replied, "We've always demanded that, too." He paused and looked down at Foreign Minister Georges Bidault, adding: "The foreign minister can confirm that. We've always claimed the Saar."

## State Official Tells Of Proposed Laws For More Taxation

Tax legislation now pending in the State Legislature was discussed at a recent meeting of Berks Boroughs association by John Hermansen of the department of internal affairs, at Orioles home, Boyertown.

Eighty officials of 14 boroughs attended the session and heard Hermansen give the breakdown of figures on the \$750,000,000 spent annually for State and local government in the Commonwealth. The State spends about \$300,000,000 and the remaining \$450,000,000 is spent by county, borough, city, and townships, Hermansen said.

Among laws he discussed was one which would give boroughs the power to tax anything not taxed by the State. Another would give this power but would annul local taxes if a similar tax were levied by the State.

Other measures being considered by the Legislature for increasing borough revenue includes permission to operate parking meters, tax amusements, levy wage taxes, and others.

The association voted to send a letter to the six Berks representatives in the Legislature, urging support of House Bill 1200, which would give boroughs new sources of revenue and increase the receipts from present sources.

Howard Murray, Birdsboro, president of the group, was in charge of the meeting. Walter Mull, Wernersville, asked the invocation. James A. Fritz, burgess of the host town, welcomed the delegates.

Music was provided by a group of students from Boyertown High school, under the direction of Paul S. Hangen Jr., director of instrumental music.

## Hospital Chaplain To Deliver Address On Memorial Day

Capt. Carroll S. Rudisill chaplain at Valley Forge General hospital, Phoenixville, will be guest speaker at community services to be conducted at both Fairview and Union cemeteries in Boyertown Memorial day, Friday, May 30.

The service at Fairview cemetery will take place following a parade which will form at the high school at 9:15 a. m., move uptown on Philadelphia avenue at 9:30, and arrive at Fairview cemetery at approximately 10 o'clock. Parading will be patriotic, civic, and fraternal organizations, as well as school groups.

Complete program for the services follow: Invocation, the Rev. Harper L. Schneek; "Star Spangled Banner," audience; accompanied by High school band under Paul S. Hangen Jr., director; remarks by Frank Del Grosso, commander of Charles B. Yerger post 471, American Legion; music by Boyertown High school chorus under direction of Ida M. Reinert; prayer, the Rev. Schneek; address, Captain Rudisill; music, High school chorus; benediction, the Rev. David F. Longacre; salute, firing squad and color guards by members of Legion post and Veterans of Foreign Wars post; and taps, by members of Legion drum and bugle corps.

Essentially the same program will be presented at Union cemetery upon its completion at Fairview and as soon as the parade moves across town to Union cemetery.

General chairman of the affair, which is being arranged jointly by the VFW and the Legion, is Arthur W. Fryer. Other committee members are Harry Mauger, J. Robert Chittick, Harvey Conrad, Norman Gottwald, Elam Beiler, Elwood Romig, Robert Hartman, Paul Fryer, Paul Gilbert, Lester Stauffer, Paul Bechtel and Del Grosso, all of American Legion post.

From the VFW post are Stanley Swavely, Forrest Miller, Russell Lechner, Lester Fryer, Carroll Weller, Robert Horn and Paul Krause. Mrs. George Stauffer, president, will represent the Auxiliary of the Legion post, and Paul Reppert will serve from the Sons of the Legion.

## Boyertown to Get \$611.02 From State

Boyertown is eligible to receive \$611.02 as its June 1 allocation from the motor fund, the department of highways revealed in Harrisburg Saturday.

Requisitions for the second quarterly payment of the current year are being prepared by the department, under whose jurisdiction the money is expended in local governmental units. It is paid to cities, boroughs and townships as their share of the tax levied on gasoline consumption and may be expended by communities for street, bridge and road maintenance or construction.

Neighboring boroughs will be eligible to receive funds as follows: Bally, \$182.72; Bechtelsville, \$75.43.

## Two Borough Banks Study Saturday Issue

The National Bank of Boyertown will remain open on Saturdays if possible, and the Farmers National Bank has the question under advisement, according to spokesmen yesterday.

Harvey G. Grofe, president of the National, stated that his bank wants to stay open Saturdays and that those are the present plans. A spokesman for the Farmers said that the question will probably be discussed at tomorrow's board of directors meeting.

Further trend of the Saturday situation will be learned in the near future when members of the Reading Clearing House meet. The question of Saturday closings has arisen because of a bill passed by the Pennsylvania Legislature, allowing banks to remain closed.

## PERSONALS

Mr. and Mrs. Paul B. Harner and son, Carl, of 323 East Philadelphia avenue, spent three days in Atlantic City, N. J., the past week, attending a convention and display of hosiery and knitting equipment and products.

Mrs. John L. Herbst, Bechtelsville, was re-elected president of the Kutztown Regional Women's Guilds of the Evangelical and Reformed church, at its meeting Saturday in St. Paul's church, Kutztown.

Attending the recent reciprocity luncheon of the Oley Woman's club were Mrs. Warren G. Grofe, Mrs. Marion A. Kinder, both past presidents of the Boyertown club, and Mrs. Samuel R. Knouse, president.

Harold Mest, son of Mr. and Mrs. Russell Mest, Gilbertsville, was recently discharged from the Army in San Francisco, Calif.

## COUPLE CELEBRATES

Mr. and Mrs. Elmer Davidheiser, of Grosstown Road, Stowe, observed their first wedding anniversary Saturday. Mrs. Davidheiser is the former Pauline Miller, New Berlinville.

## Arab Group Protests U. S. Consulate Ruling

CAIRO, May 4 (AP)—The Arab executive committee of Palestine sent a protest today to the U. S. State department against what the committee said was the refusal of the American consulate in Jerusalem to issue a visa for Rasim El Khalidi.

El Khalidi wants to go to New York and join the Palestine Arab delegation at the United Nations General assembly sessions on the Holy Land, the committee said.

A protest also was sent to Dr. Oswaldo Aranha, Brazil, president of the United Nations. (The Arab executive committee of Palestine and the Jewish agency, its Jewish counterpart, have not yet appeared before the U. N. assembly. The Arab case thus far has been handled before the assembly by the Arab league nations.)

FRENCH NUN BEATIFIED VATICAN CITY, May 4 (AP)—Alessia Le Clerc, French nun who founded the order of the regular canonesses of St. Augustine 300 years ago, was beatified today in a solemn ceremony at St. Peter's Basilica.

# REVIEW OF BUSINESS

## Buckwaller Is Ready To Serve Farmers in New Sales Quarters

With a view to giving the farmer and other patrons bigger and better service, H. T. Buckwaller, dealer in farmer implements, supplies, sales and service, has moved into a new building on Route 100, three miles south of Pottstown.

Here everything is conveniently arranged for display and service. A Frick-Minneapolis-Moline sales and service dealer, Mr. Buckwaller will continue to handle this well-known line of farm implements. Repairs will be made on all farm machinery and parts will be carried in stock. In case the part you want for that tractor or other equipment is not in stock, Mr. Buckwaller will make every effort to obtain it for you.

Quaker State and Veedol lubricants, Tydol gasoline, garden tractors, tractor tires—these are some of the items stocked here now, and more and more are coming in.

The size of your farm yield depends greatly upon your seed bed preparation and how long it takes you to complete the task. That is why it will pay you to have the best equipment available on your land at all times, and Frick-Minneapolis-Moline certainly rate with the best.

You are welcome at the new home of the H. T. Buckwaller farm machine dealer, Route 100, three miles south of Pottstown.

## Calcinator, Sold by Keiser, Does Away With Old-Fashioned Garbage Disposal

There are a number of reasons why the Calcinator, sold by the C. J. Keiser company, 22-24 North Washington street, electrical appliance dealer, is the only completely modern way to dispose of garbage and refuse.

In the first place, always remember that Calcinator is designed to consume any garbage and refuse combustible when dry by a dehydration process rather than by the old-fashioned open-flame burning way.

By this exclusive Calcinator dehydration process, the householder does away with the unsightly, unsanitary garbage can and does it without resorting to the equally objectionable outdoor trash fire or indoor hot-fire incinerator with their foul odors or smoldering blanket of soot-bearing smoke.

Calcinator's dehydration process

first dries the damp garbage or refuse in such a way as to prevent the sudden release of large quantities of gases and this gradually, scientifically controlled drying out actually supplies 98 percent of the heat required to consume the contents.

Calcinator's modern method also does away with the need for mechanical electrical disposal units which flush garbage pulp into the kitchen drain after grinding it in the sink outlet. Any unconventional use of the plumbing and sewage system in the average home brings an ever-present possibility of clogged pipes or drains. Calcinator entirely eliminates this.

The C. J. Keiser company, 22-24 North Washington street, has the Calcinator in stock so better order one now. Phone 3772 or better yet drop in at their place of business and look them over.

## Myers Water System a Bonanza to Farmers

An abundance of water for better farming and better living is offered through the Myers water systems, sold by Carl N. Dunmire, Benjamin Franklin Highway, Phone Pottstown 2575, Sanatoga, where you can get "everything for the farm." These water systems are also adapted for suburban homes.

In one week's time or less, a Myers water system will convince

you that no other type of farm equipment—at anywhere near the price—can do so much for better farming and better living.

As income-producing equipment, it is one of the best investments on the farm—and should be one of the first. It's a daily money-maker that soon pays back its cost through increased production of farm animals.

Better get in touch with Mr. Dunmire at Sanatoga right now and have a Myers water system installed on your farm.

**ST. PETER'S SERVICE**  
(Continued From Page One)  
only work that will save the world from chaos.

The guest minister commended the congregation on the renovations, speaking of their beauty and appropriateness in serving the community. Memorial services were held at 4 p. m., the Rev. Dr. A. W. Lindemuth, the Rev. Dr. E. H. J. Hoh, and the Rev. Dr. W. R. Seaman, former pastors, conducting the service.

In the evening, at 7:30 o'clock, 137 members of the congregation heard the senior choir, directed by Mrs. Charles Q. Flickinger, sing a program of sacred music. Leatrice Geschwind was the organist.

Community services will be held Wednesday at 7:30 p. m., with the Rev. Dr. G. W. Weber preaching on "The Church and Her Responsibility to the Community." The Rev. A. Burtis Hallock will greet the worshippers for the Pottstown Ministerium.

Two special services will be held Sunday, with the Rev. W. Paul Reumann, recent president of the Norristown Conference preaching at 10:15 a. m., and stewardship services, with the Rev. Earl S. Erb, secretary of the Lutheran Ministerium of Pennsylvania, preaching at 7:30 p. m.

**CONGRESSMAN DIES**  
ALLENTOWN, May 5 (Monday) (P)—Congressman Charles L. Gerlach, 51, died at 12:15 o'clock this morning at his home, the result of a heart attack.

She was born at Newport, Perry county, but resided in Royersford and Spring City most of her life. She was a member of Spring City Methodist church. Mrs. Baldwin was the last of her family. Her husband died here in 1915.

Surviving are four children: Harry M. Pottstown; Blanche, wife of Norman I. Gruber; Mrs. Anna Deery, Norristown; and William L. Gettysburg; also nine grandchildren, eight great-grandchildren and one great-granddaughter.

Funeral services will be conducted at 331 New street, tomorrow afternoon at 2 o'clock, with burial in Zion's cemetery.

## Pellet Hits Woman; Hearing Scheduled

An air rifle has been confiscated by police and two boys and their parents have been summoned to appear for a hearing, as the result of a woman having been struck by a pellet at Third avenue and Washington street, Royersford.

Chief of Police Bryson Turner was called Friday after Mrs. Raymond Schell, Third avenue, was struck in the calf of the leg Thursday night. One of the boys, 16, who was reported to have fired the shot, said he was shooting at a sign. A hearing has been arranged for Saturday.

The police chief warned that a thorough ordinance prohibits the discharging of any type firearm within the borough limits.

## TRAFFIC CRASH —

(Continued From Page One)

traffic duty to relieve congestion as a result of the crash.

Borgist said: "It was 100 feet west of where the electric pole had been knocked off, doing traffic duty with Borgist. We saw the Beardon car coming east on High street at a very fast rate of speed. We blew our police whistles and waved our flash-light. He did not slow down and nearly struck the police who had to jump aside.

"The Beardon car first hit an electric company motor truck which was parked in the first traffic lane on the south side of the street. The truck upset and pinned McVey underneath.

"The car then went to the north side of the roadway and struck the parked West End Fire company's emergency truck, parked in the first traffic lane on the north side of the street. The car then proceeded about 50 feet along the first lane mounted the curb, knocked over two gasoline pumps in front of Flickinger's garage and then struck the parked car of Josiah B. Poley, of 632 Beech street.

McVey told police he was standing on the south side of the highway watching men digging a hole for a new electric line pole.

"I suddenly heard a yell," he said. "I felt something heavy on me. I was lying on my stomach when pulled from under the truck."

A number of men aided police in prying open a door of the sedan to get Beardon out.

# AROUND THE WORLD THROUGH CAMERA'S EYE.

THESE TWO PHOTOS were made 36 hours apart along the muddy river near Aldridge, Illinois, where abnormal spring rains are causing extensive flood damage. CIVIC LEADERS and religious groups in Chicago's South Shore section have merged efforts in an attempt to track down the desecrators of two Jewish cemeteries where nearly 200 gravestones were knocked over and broken. Above, a worker in Oak Woods Cemetery, Chicago, checks the widespread damage caused by mysterious vandals. (International)

EX YOUNG SCANDINAVIAN SCIENTISTS, headed by Thor Heyerdahl (right) are shown (left) on their raft, ending up a weather balloon as they set out from Lima, Peru, to test a theory. They believe that the South Sea islands of the Tuamotu Archipelago were first populated by primitive South American Indians who arrived there by drifting on rafts across the Pacific. The venture is called the "Kon-Tiki" expedition, Kon-Tiki being the name given by the ancient Peruvians to the sun god, whose head is painted on the sail of the 50 x 20 foot craft. The adventurers hope to reach the Marquesas Islands in 16 weeks. (International)

MYSTERY OF SUPER-SONIC flight may be solved in this wind tunnel at Burbank, Cal., where John H. Weaver, an aircraft corporation engineer, has achieved speed of sound for first time in wind tunnel. PREPARING THE WORLD'S BRIGHTEST LIGHT for a test at Cleveland Municipal Airport, W. A. Pennow, aviation lighting engineer for Westinghouse, touches a lamp tube capable of producing, with the aid of a reflector, more than three billion candlepower of light. The artist's drawing shows how the all-weather lighting system, designed to conquer fog, will appear from the air. As the plane at right approaches for a landing, the pilot will see the brilliant flash of 72 approach lights, which extend almost two-thirds of a mile from the runway. These lightning-like flashes penetrate for 1,000 feet, even under "zero-zero" weather conditions, thus guiding the plane safely to its runway. Colored lights serve as traffic indicators. AT THE CONTROLS OF AN AIRLINER, plane builder Howard Hughes demonstrates in Los Angeles the first radar warning system to be installed in a passenger ship. The new radar panel (arrow) contains four lights which flash on with the sounding of a horn when the plane comes within 2,000 feet of any object, ahead or below. Hughes said that when the warning signal is received with the plane approaching a mountain peak, the pilot still has time to turn the craft into a 180-degree climbing turn, and thus safely avoid the object. # CITY-INDUSTRIAL LEAGUE TO OPEN TONIGHT

## Jet Pilot Noses Out Phalanx in the 73d Kentucky Derby

### DIECASTERS MEET USA ON FRANKLIN FIELD

Large Crowd Expected To Witness Opener; Hope for Good Weather

They tapped another word onto the name but it hasn't changed much and tonight at 6:15 o'clock on Franklin Field the former Industrial Baseball league, now the City Industrial league, will ring up the curtain on the 1947 season.

There will be some new faces and there will be some old faces in the lineups of the Doehler Diecasters and the USA 2177 Steelworkers who have been chosen to officially open the season.

The weatherman has predicted scattered showers and warmer for today and man-agers Jim Egoif and Paul Boughter are keeping their fingers crossed.

A large crowd is expected to witness the opening struggle when the umpire cries, "Play Ball!" The two teams, and the other six in the circuit, have been preparing in eleventh hour fashion to get in shape for the first week of league competition.

Neither team playing tonight finished in the first division the past season but it is no indication that they won't be up there this year.

Both teams have plenty of batting punch as was displayed in the abbreviated Grapefruit league the past week but when it comes down to pitchers, it's a case of wait and see.

The terrific amount of rain that has drenched Pottstown the latter part of last week may have the field in such a muddy state that tonight's opener may not be an opening.

The teams, the fans, and the league officials are counting on the weatherman to cooperate tonight so that the league may get off on the right foot as scheduled.

### HILL GOLFERS TOPPLE PEDDIE BY AN 8-1 SCORE

The Hill school golf team traveled to Peddie school Saturday afternoon and returned home with an 8-1 victory.

Peddie took only one singles match to register its only point of the match. Ed Snively turned back Hud Sampson, 3 and 1, for the home team's only marker.

After winning five of the six singles matches, the Blue and Grey golfers teamed up to win the three foursomes matches.

Rodie started things off with a 3 and 2 win over his opponent and MacManus and Gallo followed with victories to give The Hill a 3-0 lead. Peddie then scored its only point and the locals coasted in the rest of the way.

The baseball game between The Hill and Peddie scheduled for the Peddie field was postponed because of rain. The tennis match slated to be played on the Peddie courts was also called off.

### Cardinals-Allentown Struggle Washed Out; Locals Meet NEAPCO

The scheduled softball contest between the Pottstown Cardinals, Pottstown's entry in the Bi-State Softball league, and Mack's of Allentown was called off because of wet grounds at Fisher Field.

The Cardinals will meet the New England Auto Products Company tonight at 6:30 o'clock on Fisher Field in a final tuneup before opening the league against Carpenter Steel. Reading. Wednesday night.

### Four Win Kickers Tournament With 77

Four local golfers won the Brookside Kickers Tournament yesterday at the local country club. The winning total was 77 and Bob Paze, Jake Feyler, Abe Pollock and Walt Sanders came through with 77's.

HARRY WALKER  
... goes to Phils

KIRBY HIGBE  
... Pirate addition

## Higbe Added to Buc Roster; Phils Obtain Harry Walker

NEW YORK, May 4 (AP)—Strange are the ways of baseball. Who would have thought a month ago that the world champion St. Louis Cardinals, supposedly solid at all stations, would be looking to the Phillies for outfield strength, and that the Brooklyn Dodgers, theoretically not in the same class with the rambunctious Redbirds, would dispose of their top pitcher of 1946?

But that is exactly what happened just two and a half weeks after the start of the campaign. Eddie Dyer's bewildered Birds, reeling after eight straight defeats and wallowing in the National league's cellar, desperately reached down to the second division Phillies yesterday and came up with outfielder Ron Northey whom they hope will straighten out their garden woes. In exchange for the hard-hitting Philly, the Cards gave up outfielder Harry Walker, last year's World Series hero, who has been a keen disappointment to Dyer thus far, and Relief Pitcher Fred Schmidt.

The deal, important as it was, produced nowhere near the surprise of the Dodge-Pirates transaction in which Brooklyn

"traded" their star pitcher Kirby Higbe along with pitchers Hank Behrman and Calvin McIlish, catcher Homer (Dixie) Howell and infielder Gene Mauch to Pittsburgh for upwards of \$200,000 and utility outfielder Al Gionfriddo.

At first glance the transaction, also announced yesterday, appears to have improved the Dodgers' bank account rather than their pennant chances. A closer look gives rise to the belief that Branch Rickey, Dodgers president, did the best he could under the circumstances. With 39 players on his roster, and finding it necessary to lop off nine names by May 15, Rickey found himself with his back against the wall as the Pirates kept claiming every likely looking youngster that he put on the waiver list.

Pittsburgh had set their sights on Higbe as far back as last December when the Bucs tried in vain to land the erratic right-hander, who won 17 games for the Brooks last season. When repeated efforts failed to lure Higbe from the Brooks, the Bucs put the "squeeze" on "Rickey," stopping every waiver effort until they got their man.

### BOSTON SOX WIN TWIN-BILL FROM ST. LOUIS BROWNS

ST. LOUIS, May 4 (AP)—Returning to Sportsman's Park, where they lost the World Series to the St. Louis Cardinals last fall, the Boston Red Sox pounded on the Browns with a vengeance today, winning both games of a double header, 3 to 2 and 8 to 1.

### CHICAGO TAKES DOUBLEHEADER FROM THE A'S

Pale Hose Keep Lead In American Loop; Wallaces Stars in 1st

CHICAGO, May 4 (AP)—The Chicago White Sox, current American league leaders, defeated the Philadelphia Athletics twice today, 8 to 7 and 1 to 0, for their second doubleheader sweep in two days.

Jack Wallaces, purchased from the Athletics last winter, supplied the big blow in Chicago's six run, eight inning rally to capture the first game. He hit a pinch home run off Russell Christopher, starter Phil Marchand's relief, with the bases full.

## Schoolboy Rowe, Dutch Leonard Pitch Phils to Double Victory Over Cincinnati at Shibe Park

PHILADELPHIA, May 4 (AP)—The Philadelphia Phillies swept a doubleheader from the Cincinnati Reds here today 5 to 3 and 10 to 5 before a crowd of 18,522.

Held to one hit by Ewell Blackwell in the first five innings of the opener, the Phillies pounded the big right hander for five hits and all five of their runs in the sixth. Emil (Dutch) Leonard got credit for the win, his third against one setback for the season.

The Phillies combined two hits with Red errors and Johnny Hetki's wildness to push over three runs in the first innings of the second game. They added four more in the second, one in the third and two in the fifth to win with ease behind the steady hurling of Schoolboy Rowe who hung up his fourth victory against no defeats.

The Reds' Eddie Miller hit his sixth home run of the season in the second inning of the second game.

#### OGDEN ASSAULTED

Johnny Ogden, 51-year-old scout of the Boston Braves who will conduct a baseball tryout camp at The Hill school, June 19-20, was attacked by four men Friday night when he caught them fishing on a private stream on his property near Lancaster. The Boston scout required five stitches from scalp wounds received in the struggle. Ogden was named by the Boston farm system to head the tryout camp in Pottstown.

## HILL TROUNCES PEDDIE, 82-35, IN TRACK MEET

Meads, Steen and Schoonmaker Turn in Double Victories

The Hill school varsity track team scored an easy 82-35 victory over Peddie Saturday afternoon in a track meet held on the winner's cinders.

The Blue and Grey captured eight of the 13 events and tied in two others. Peddie was only able to take first in the mile run, broad jump and the shot put. Peddie tied the local prep school in the high and pole vault events.

## Construction Is Begun On Albania Railroad

LONDON, May 4 (AP)—The Russian news agency Tass said today in a dispatch from Tirana that construction of Albania's first railroad was started Saturday at ceremonies attended by Premier Enver Hoxha.

Hoxha greeted hundreds of Yugoslav youths who were sent to Albania to work on the rail link which, Tass said, will connect Durazzo on the coast and Elbasan, about 40 miles inland. Presumably the line will go through Tirana, the capital, which lies between the two cities.

## Firestone Plant Managers Open Session Here Today

Plant managers from all branches of the Firestone Tire and Rubber company will gather today and tomorrow at the local Firestone plant for their annual meeting to discuss subjects of interest to the entire industry.

Each year managers convene at one of the plants for conference. The local branch has been here for two years and occupies the building once used by the Jacobs Aircraft Engine company plant No. 2.

J. C. Blue, local manager, will be host to the visitors.

## Race Riot Quelled At Army Barracks; One Prisoner Dead

PORT LEAVENWORTH, Kas., May 4 (AP)—The Army disciplinary barracks, scene of a violent race riot between white and Negro prisoners, Friday and Saturday, was slowly getting back to normal today. No signs of disorder were evident as the prisoners filed into the prison mess hall for their morning meal.

White and Negro prisoners, eating at separate tables, were served together as has previously been the custom and the cause of the riot which took the life of one prisoner and injured five guards and six other inmates before the disturbance was brought under control last night.

Honor gangs and trusty details left the barracks to resume their routine work today and according to Major Henry C. Trisler Jr., public information officer at the post, the rioters, all employed inside the walls of the prison, will be back at their work not later than Tuesday.

Brig. General Harry L. Twaddle, of the staff of the commanding general of the Fifth Army, arrived at the fort from Chicago early this morning to assist in the investigation of the riot. General Twaddle and Col. Graeme Parks, commandant of the barracks, conferred this morning but withheld comment on proceedings.

Earlier Col. Parks said that an effort was being made to segregate the ringleaders, and that plans for court martial proceedings would await completion of the investigation. Meanwhile, work on the reconditioning of cell block 6, extensively damaged during the riot, is expected to be completed sometime today. Since their capitulation, the rioters have been held in temporary barracks.

The prison rebellion which grew out of resentment of the white prisoners at having to eat in the same mess hall with the Negroes, flared into a full scale riot Friday night after three Negro prisoners attacked a white man in the shower room.

The dead prisoner was Dewey Osborne, 30, white, of Mountain City, Tenn., who was stomped to death.

According to Major Trisler, 25 percent of the prisoners in the disciplinary barracks are Negroes.

## 272 Fires in the County In April, Marshal Reports

The monthly meeting of the Montgomery County Firemen's association was held Saturday night as guests of the fire company at Pennwynne, Overbrook Hills. President William T. Muldrew, of Jenkintown, presided at the session which was attended by 90 delegates representing 65 companies. Total attendance was 265.

The report of Fire Marshal Willis Green, of Green Lane, showed a total of 272 fires during the month, with a loss of \$71,330.

The next meeting will be held June 7 at Red Hill. Following attendance from the Philadelphia Steam Fire Engine company, Clymer and Aubrey Missimer, Frank Rowe, Fred Leh and Ralph E. Malsberger.

## Bevin and Morrison End Political War; Lasted 20 Years

LONDON, May 4 (AP)—The political columnist of the Sunday Express said today that Foreign Secretary Ernest Bevin and Deputy Prime Minister Herbert Morrison have buried the hatchet, ending a 20-year political rivalry.

The writer also declared that Prime Minister Attlee's job "is in danger" from the new friendship. The weekly column, written under the pen name of "Cross-Bencher," said the rivalry has been important "because only by this enmity has Mr. Attlee been kept in the saddle."

Neither dared pitch him off in case the other jumped on.

"Now they are in harmony, Mr. Attlee is in danger."

E. P. Stacpoole, veteran political writer for the British Press association, said:

"Reports that Mr. Ernest Bevin and Mr. Herbert Morrison have 'made it up' suggest that the enmity between them has been more acute than seems likely between members of the same cabinet."

"For a long time each has had his supporters in the Labor party and if there was any likelihood of the prime minister relinquishing his office there would undoubtedly be intense competition between the two for the leadership."

However, he declared, "There is no reason to think that any change in the leadership is imminent."

Herbert Morrison

Gas and Electricity Curtailed in Britain

LONDON, May 4 (AP)—A new government order goes into effect at midnight tonight banning the use of gas or electricity for heating residential quarters until Sept. 30 and the use of any kind of fuel to heat non-residential premises until Oct. 31.

The order is designed to save 2-3,000,000 tons of coal against Britain's needs next winter.

## Learns to Use Artificial Legs

Born without feet, Betty Jeane Lampe, 22, of Chicago, is shown as she tried out her artificial legs for the first time. Courageous Betty is being assisted by Walter Schoene who made the limbs for her. Schoene himself is wearing one artificial leg.

## Groups to Attend Norristown Meeting

A delegation of Pottstown business men will attend a national affairs conference in Norristown tomorrow night. Ten Chambers of Commerce in Montgomery and Chester Counties are jointly sponsoring the meeting.

Arthur K. Switzer, president of the Pottstown Chamber of Commerce will head the local delegation, which will include Charles J. Custer, Barton K. Whitman, A. C. Seawell, Waldo Weidemeyer, Leonard Graham, Elmer E. Saylor, A. E. Vaughan Jr., and R. H. Spare, secretary.

The dinner, in the ballroom of the Valley Forge hotel, will start at 6:30 o'clock.

Clyde MacCormack, of Phoenixville, prominent eastern Pennsylvania business man, will address the gathering on the subject of "The Business Man's Stake in National Affairs."

The speaker is vice president and general manager of the Phoenix Bridge company and has taken an active part in Phoenixville civic affairs for many years. He is a member of the board of the Phoenixville Community Chest, a trustee of the Phoenixville hospital, a director of the Farmers and Merchants bank of that city and a past president of the Phoenixville Rotary club. Mr. MacCormack is a graduate of Knox college and of the Massachusetts Institute of Technology.

Two speakers from the U. S. Chamber of Commerce also will appear on the program. Donald Marcellus, manager of the Chamber's Northeastern division, New York City, will address the group and lead the discussion period at the conclusion. Truman D. Weller, national affairs advisor of the national organization's department of governmental affairs, will speak on "The Road to Better Government."

## Danville Students Win School Contest

BLOOMSBURG, May 4 (AP)—Danville High school won the 15th annual competition for high school commercial students at Bloomsburg State Teachers college yesterday.

Second place went to Northampton High school, with Nazareth and Collingdale tied for third; Edwardsville, Bloomsburg and Hedges Township (Schuylkill county) tied for fifth, and Lebanon, Tunkhannock and Wyoming tied for eighth. Some 200 pupils representing 42 schools competed in typing, bookkeeping, shorthand and business arithmetic.

Water 100 feet below the surface of the Great Lakes tends to remain at a temperature of 39 degrees Fahrenheit.

## Thousands to See Valley Forge Scenery

PHOENIXVILLE, May 4 (AP)—The annual blossoming of dogwood at Valley Forge National park will reach its peak of beauty about the middle of this week. Thousands come here annually to see the spectacle created by some 50,000 dogwood trees that dot the hills and slopes of the park.
